

**Materials:**

1 piece of black or grey construction paper  
Glue  
Cotton balls  
A white crayon or pencil  
A pair of wiggly eyes

**Instructions:**

- Trace your hand on the construction paper with the white crayon or pencil
- After you have traced your hand, flip the paper so that your fingers are pointing down
- Glue the cotton balls all over the handprint but don't cover up the tips of your fingers and your thumb
- Glue the eyes on the thumb and draw a smile
